"SHADOW" MATS
Where indicated by a "D", double "Shadow" mats are available. Two mats are stacked, the top mat opening 1/2" smaller than the bottom, making a 1/4" reveal. The two mats are separated by a 3 1/6" acid-free foam spacer, creating the "shadow".

MULTIPLE 4 x 6 OPENINGS				MULTIPLE 5 x 5

				85

"NET" MAT SIZES

Mat openings shown are image size. The actual size of a mat window is, in most cases, 1/2" less than the image size (1/4" mat covering all sides of the image). Sizes smaller than 8 x 8 are 1/8" less (1/8" coverage), with the following exceptions: "Skinny mats" #02, 04, 07 & 12 are 3/4" less (3/8" coverage). Multiple opening mats for 4 x 6 & 5 x 7 METRO, and 5 x 7 FINELINE, plus mat #04, are 1/2" less than image size.
